Vol. 1. No. 2

April 1977

March 27, 1977

Dear Members:

You can indeed be proud to be a part of Monitor Lodge. Our Ethnic Display at the Festival was very attractive. Many stopped to admire the articles and to reminisce. Thanks again to booth workers and item loaners.

Moritor again won Grand Sweepstakes Award for our float in the Camellia Parade. The Swedish Consul General, Per L. Strom, was very proud that we received the trophy. So am I! I want to thank every person who had a part in making this float possible. There are too many to mention names, but I thank each and every one of you.

The Camellia Luncheon was well attended and enjoyed. Thanks for the lovely Swedish decorations that we enjoyed on the tables. My husband and I thank you for yourcourtesy in giving us tickets for the luncheon. It was greatly appreciated.

WOW! Charlie Linn did it again. The Casino Night was one to remember. Thanks to you all. That is another project which takes many people to make a success.
