

THE MONITOR

Meets First Friday of Month
Sons of Norway Hall, Darina
Avenue, North Sacramento

Vol. 3, no. 1

February, 1979

Regular Meeting
Friday, Feb. 2, 1979 - 8:00 PM

Chairman Sue Bergman invites all members (that includes Brothers as well as Sisters, you know) to join the Valentine design contest. Show your ingenuity in a Comic, a Scandinavian, Beautiful, or Unusual creation and we'll have a real fun show.

Also, there will be a Valentine Cake Walk! Don't forget to bring your cakes so we have plenty of delicious prizes to tempt the "walkers".

Your NEW 1979 Vasa Program Book will be available at the meeting!

See You Friday!

All Monitor officers for 1979 were present and duly installed in Reno on Saturday, January 27, with both our District Master Rey Dalquist and our Grand Master of Vasa Order Andrew Wendell in active attendance.

A full busload of Vasa members traveled together on Saturday morning and arrived in plenty of time to participate in the planned and bonus activities of the day. Everyone had a nice day and several members returned to Sacramento with heavy pockets.

Vice Chairman Astrid Horyza asks that everyone be especially careful to report to her all illnesses or mishaps to members as soon as you are aware of them. As Chairman of Monitor Sick Committee, she wishes to keep in touch with such things and be sure she doesn't overlook anyone. She is especially anxious to have up-to-date data when she reports to the membership at each meeting. We are sure we can count on your cooperation. *79 words*

Beginning with the March issue of Monitor, Norman Cedarquist, Assistant Recording Secretary, will be the editor. He requests that all material wanted in The Monitor for a given issue be in his hands two weeks before regular meeting date to insure inclusion.

NEW CASINO NIGHT DATE for 1979 -

May 12 - 8:00PM to Midnight

NORWAY HALL 770 Darina Avenue

Mark your calendars right now for a real down home fun night at Norway Hall. Bring your friends of course, but get your name in early! More information in our next issue - watch for it!
