#### CHAIRMAN'S MESSAGE

My great big thank you and appreciation to all who helped with the Pea soup and Pancake Dinner on April 6th. Hallens and Uffens who were in charge of Pea soup and Arlie Vies, Ruth and Al with the Bar. Also my grateful thanks to Helen and Richard Forsty for helping with the tables and etc, and my Pancake makers, Bee Dillard, Betty Bergman, Ellen Herting and Astrid Horyza. I think they all had plenty to eat, thank you all for supporting, the members, outsiders, and I hope I didn't forget anyone. It was fun but you realize it takes many hands to prepare: one person cannot do it alone.

We were so very happy to have our District Master Ray Dahlquist and his Dear Wife visit us, we do hope he can visit us again.

Because of the District Convention in Stockton May 5th and 6th and as our regular meeting fell on Friday May 4th, the Monitor Lodge voted to change the meeting to April 27th. All members be sure and make note of this date and it will be a Pot Luck. All members bring your favorite dish for 6 O'clock Dinner. Scandia Lodge will be visiting us and they have been notified of the change.
