CHAIRMAN'S MESSAGE

As I'm writing this I can't think of anything nicer than to say great big Thank you for all who came out to the Cray-Fish Dinner. It was great and my thanks to all who furnished all the goodies; there was plenty and also the extra tables and chairs. Also my grateful thanks to George Uffens, Cederquist and Al for getting the Cray Fish, a job well done my appreciation to all who had a helping hand.

Now that summer is almost over, hope everyone had an enjoyable vacation and we can look forward for a busy Lodge schedule. First of all don't forget our September meeting which falls on Friday the 7th and it will be a SWEDISH POT LUCK, everyone bring your favorite dish your own tableware and dishes.

There will be nomination of Officers and a discussion about our Sill Fruokost which falls on September 16th. It has to be cancelled due to no Skill. Maybe we can have a pancake breakfast or something else, think about it? Hope to see you all.
