Farewell of Chairman

To you, members, Officers one and all of Monitor Lodge I wish to thank the Lodge to let me serve as your Chairman for the Past Year. I wish to convey the full depth of my feeling for you, the keen appreciation that is mine because of your loyalty to me personally, your eagerness to work and co-operate, your perfect accord in all that might be for the advancement of the Order. Some of you have been my friends for a long time, whom years of association have brought especially close to my heart. Others among you have brought new and happy adventures in the realm of friendship, and I feel wonderfully rich and blessed because of my association with you. Your words of encouragement have meant a lot to me, what joy your many expressions of Love have brought me-- only you can know. In the innermost depths of my heart, I am grateful. I wish to thank my Officers for this year for your loyal support to me this year and all the Refreshment chairman, without your help the burden would be heavy. Now comes the closing Hour of the Happiest years of my Life. You know all good things must come to an end. I want to Congratulate the new Officers and hope the best for their year of 1980. May they be crowned with blessing -rich abounding and eternal. My greatest ambition has been to prove worthy of the trust and to discharge my duties in accord-

ance with my appraisal of the Office. I'd like to feel that I am worthy to take my place among the Ladies and Gentlemen who have preceded me.

Your Chairman -
Sue Bergman
