News about our sick reported at the last meeting was:

Joyce Trinkka had fallen and broken both ankles.

Charles Badgley's surgery has been postponed for a month.

We were sorry to hear Berthel Nelson's mother had passed away and we extend our sympathy to her family.

We were sorry to hear of Emil Hallen's passing on May 12th. Beautiful services for him were held on May 15th at East Lawn Mortuary Chapel. The large number in attendance gave tribute to the friendship and love for a wonderful person. Our sincere sympathy goes to Viola and her family. Long may his memory remain among us.

Fifty-one persons were served at the Sill Frukost. Our thanks to Herb Johnson for getting us the wonderful herring. Special thanks to Britt Andersson for pickling some of it and preparing the rest for frying. Thanks to Ernest Skorheim and Lennart Andersson who fried all the fish, to Muriel and Hank who worked so hard all day. Thanks to Roland Erickson for selling tickets and to Darlene Njord for donating a cake. Thanks to anyone else who I may have overlooked. Thanks to you all for coming—it was fun.
