Happy Birthday!

A Boy Scout who went on to become king of Sweden charmed 30,000 scouts at the opening of their national jamboree and enjoyed a barbeque with Army Secretary John Marsh. King Carl XVI Gustaf, trim in the pale blue shirt and navy shorts of the Swedish scouts, toured the 5,000-acre tent city set up for the jamboree in Fort A.P. Hill, VA. But there was an important no-show. Ronald Reagan sent a letter of regret. Reagan is honorary president of the Boy Scouts of America.

If you like to recycle your newspapers, but the heaps of old papers become so uncontrollably messy that you are tempted to give up on the entire project, then you might want to follow this advice from the "Calgary Cooperative News". A simple and easy way to save and bundle your used papers is as follows:

Take a sturdy cardboard or wooden box, of a size just larger than the folded newspapers, and cut a slit half way down the center of each side.

Lay pieces of strong twine across each way, allowing for tying later. When the box is full to overflowing, tie the cords and lift out the bundle and you will have succeeded in saving trees without being overwhelmed by the project.

An organ concert will be given at St. John's Lutheran Church, 17th & L St. Sacramento on September 20th at 4:00 P.M. The organist will be from Stockholm, Sweden and a baritone from the opera in Stockholm will appear with him. Call Ruth Veis for more details.

Bring your aluminum cans to the next meeting. Try to save your paper until Oct. when the price will go up we hope.

Two great socials were held in August. Thanks to the Veises and Dillards for hosting them. The picnic and Crayfish Party were both well attended and enjoyed by all in attendance.
