

HAPPY NEW YEAR

January

8-8:00 P.M. Regular business meeting-
end of the year reports-New Year's
Party-refreshments will be served by the
new officers for 1982.

There will be an installation of our new
officers following the meeting instead of
a joint installation with other lodges.
Officers you are requested to be present
for this installation and members please
turn out to welcome them.

The Santa Lucia Program was a huge success.
It keeps getting better and better. The
queen and her court and all the children
were beautiful. The Don Carlson's deserve
a vote of thanks for such a nice program.
We were sorry Elena Trnka became ill and
we thank Krissie Pfannkuch for taking her
place at the last minute.

Thanks to Britt Andersson and Eleanor
Vine for stepping in to chairman the
refreshments in Joyce Trnka's place.
Ruth Lundberg worked on that committee
also.

During sick committee reports we heard that
Tony Thorsen has been in and out of the
hospital. The Kings had the flu and Gustav
Mattson was ill. We wish them all well at
this time.

Lynn Lundberg has also been home from work
for two weeks due to a back injury. After
a lot of therapy and doctor visits she is
finally on the mend and returned to work
on the 21st.

Our last meeting certainly was nice and
if you missed the Glógg and gift exchange
you missed out on a great evening.
