Welcome to Monitor Lodge.

At the June meeting it was learned that Harry Taylor has had surgery and that Anna Lewis had fallen but didn't break any bones.

There were 13 Monitor members in attendance at the Grand Lodge Convention, all or part of the time. It was very interesting and District No. 12 can be proud to have Eric Johnson of Nord Lodge re-elected on the Executive Board. Bernie and I were elated that our fellow member from Thule Lodge was elected to the position of Vice Grand Master.

The Valley Vasa Picnic at Elk Grove on July 11th was well attended. Britt Andersson did a great job as chairman of this event. Monitor's Childrens Club under the direction of Don Carlson performed beautifully.

Anton Thorsen was a lucky winner in the raffle.

Congratulations are in order for Linda Bogenstedt who became Mrs. Kent Johnson on May 1st. Best wishes! Her new address is:

2541 Curtis Way
Sacramento, 95820 (same phone)

EVERYONE BE LOOKING FOR A NEW LODGE HALL FOR OUR MEETINGS.
